I am Anointed

Meditate on the verse at the bottom of this page. What does it mean to identify yourself as anointed?

Read 1 John 2:20-28. What does it mean to be anointed when there are so many different ideas being thrown at us in this world?

What would it look like to live out your daily life identifying yourself as anointed?

But you have been anointed by the Holy One,
and you all have knowledge. 1 John 2:20

Unshakable Identity

As I reflect on yesterday, something that brought me joy was

Yesterday was hard because

Today, I am thankful for

Something I feel I need to work through is

How can I rely on Jesus to help me work through this?

*But you have been anointed by the Holy One,
and you all have knowledge. 1 John 2:20*
